2. DIA has now invited the IPC Staff to brief the SDI paper before the interagency Strategic Defense Intelligence Advisory Committee at its next quarterly meeting in the Pentagon on 10 May. General Heinz is a member of this group. In addition, DIA has requested that the IPC Staff make a similar presentation at a pre-brief for senior Defense Department intelligence officials on 5 May. 3. We will be providing those briefings as requested. The message in the paper is clear: the Intelligence Community is undertaking a considerable amount of work that supports and complements the requirements of the SDIO, and the briefings will give us the opportunity to get this message into the consciousness of several senior intelligence officials.
